

AUTUMNLEAF NEIGHBOURHOOD CENTRE

IS OFFERING...

INTRODUCTION TO BARISTA

COURSE DESCRIPTION:

This is a hands on course to help you learn how to use a coffee machine and gain skills for the workplace, including making and serving different types of coffee and cleaning and hygiene practices. This course will give you the foundation to continue on with study and work in the barista field.

Gain skills for successful study in the right course for you.

A COLLABORATION

This course is a collaboration with TAFE Careers Pathways and Employability Skills and Community Junction Inc.

COURSE OUTCOMES INCLUDING:

- Use of a coffee machine
- How to make different types of coffee
- Basic cleaning and hygiene skills including cleaning a coffee machine
