

Career Pathways & Employability Skills (CaPES)

## INTRODUCTION TO GARDENING

TAFE Statement in Educational and Employment  
Pathways – CSO5555-V01

**EIGHT WEEK COURSE**

10am-12:00pm every Wednesday (8weeks)

Starting Wednesday 26th October 2022

No Childcare provided

### COURSE DESCRIPTION:

The course introduces basic gardening skills which will be used to help develop a plan for a future community garden at the Colyton neighbourhood centre. Skills and information can also be used in your own garden space. It also gives participants knowledge into the types of jobs available in the field while exploring further education or employment pathways.

### COURSE OUTCOMES INCLUDING

- Contribute to a community garden plan
- Create mini garden projects
- Building gardening knowledge & skills that can be transferred to your own space
- Information on jobs and careers
