

# TAFE SHORT COURSE

## TAFE Statement in Education & Employment Pathways

### GAIN COMPUTER SKILLS, GAIN EMPLOYMENT OR BRIDGE INTO FURTHER STUDY

This course is for people looking to build computer skills and gain confidence for further work or study. You will also gain insight to improve career planning, and examine and understand workplace issues with a qualified teacher. Build skills to learn and practice how to get a job in a supportive environment. This course will be flexible in meeting your needs and you will have support in reaching your goals.

#### Course outcomes include:

- Explore Technology for work and gain basic computer skills
- Explore career and study options
- Develop job seeking skills. Create Work Documents
